Am G F  
 Every day is the same, without you  
 Am G F Em  
 Nothing's new, without you in my life  
 Am G F  
 Sun to rain, rain to sun, same old seasons  
 Am G Dm F  
 But in my blood runs a hope and a reason –

F G Am  
 It's your love – love divine  
 It's your love – love divine  
 F G Am  
 In my veins, you reign, love divine

Am G F  
 No it's not the same, since you came, seasons change  
 Am G F E  
 Life's brand new, every day with you  
 Am G F  
 So don't leave, take my hand and steer me  
 Am G Dm F  
 Cus in your touch is a love that frees me

It's your love – love divine  
 It's your love – love divine  
 In my veins, you reign, love divine

C E C E  
 In my heart – in my mind  
 C E C E  
 In my heart – in my mind  
 In my heart, in my mind, in my heart

It's your love – love divine
