Am Bm Em
And you are closer than the air
Am Bm C D Em
Oh miracle – you're still here

E Am
Like the sun in summer's sky
G D
Inseparable are you and I
E C D
Oh, friend of mine, keep speaking to me, let's ride this road together
Em D Em D
Love me forever

All this time your heart in mine
All this time your love divine
Yes you promised and came through
Inside of me something new

Like the sun in summer's sky
Inseparable are you and I
Oh, friend of mine, keep speaking to me, let's ride this road together
Love me forever

(instrumental)

Like the sun in summer's sky
Inseparable are you and I
You're like the blood that's running through my veins

And through the veil of darkest night
Still inside I find your light
Oh, friend of mine, keep speaking to me, let's ride this road together
Love me forever

Love me forever
