(drop D)

G D G D
Like the sun, behind a rock
G D
We tried to fit all of your splendor inside a box
G D G D
Doctrine shaped majesty
G D
But the King of all Kings set himself free

Intellect and arguments
Let my generation be known for your presence
Let Glory shine here again
I feel it on raised hands
It's not mine to have but to give

G D
Oh praise - his holy name
G D
Oh praise - his holy name
Bm Em
Praise his holy name

Oh, the sun begins to break
In a sea of hoplessness - faith
Majesty begins to fall
When we lift your name above all

Oh praise - praise His holy name
Oh praise - praise His holy name
Praise his holy name
